About Live 2 Help

Live 2 Help Recruitment delivers a premium, end-to-end placement service across the UK. We do not simply source candidates and hand them over. We manage the full journey, from the first brief to your new hire's first day and beyond, so the fee you pay is an investment you can see.

We recruit across Engineering, Manufacturing, Technical, Sales, Operations, Supply Chain, Finance, Technology and Office roles, with the same rigour at every level.

Permanent Recruitment

Fees are a percentage of the candidate's agreed starting gross annual salary, tiered by band to reflect the sourcing and assessment involved.

Salary Band	Placement Fee
Up to and including £22,000	12%
£22,001 to £30,000	15%
£30,001 to £40,000	20%
£40,001 and above	25%

A salary exactly on a band boundary takes the lower rate. For example, a £30,000 role is charged at 15%.

Retained Search - Senior and Director Roles

For senior leadership, director-level and specialist roles, a retained search gives you priority access to our full sourcing capacity and exclusivity of effort on your brief.

Stage	When Payable	Amount
Commitment Fee	On instruction	10% of agreed salary
Placement Fee	On the candidate's start date	15% of agreed salary
Total		**25% of agreed salary**

The commitment fee is non-refundable and is credited against the total fee on a successful hire.

Temporary Placements - Contracts of up to 3 Months

Choose one of two options at instruction. Your choice is confirmed in writing and stays fixed once the candidate starts.

Option A - Fixed Placement Fee

One fee, invoiced at the end of the candidate's second week, with no further charges for the length of the contract. If the candidate leaves before then, there is no fee and we provide a free replacement.

Annual Equivalent Salary	Fixed Fee
Up to and including £25,000	£2,500

£25,001 to £35,000	£3,500
£35,001 and above	£5,000

Option B - Monthly Fee

A fee invoiced at the start of each calendar month. No replacement is included and fees already paid are non-refundable.

Annual Equivalent Salary	Monthly Fee
Up to and including £25,000	£1,000 per month
£25,001 to £35,000	£1,200 per month
£35,001 and above	£1,500 per month

Converting to permanent

Under either option, converting the candidate to a permanent employee carries a one-off conversion fee. Under Option B, it replaces any further monthly invoices.

Annual Equivalent Salary	Conversion Fee
Up to and including £25,000	£1,500
£25,001 to £35,000	£2,000
£35,001 and above	£3,000

Which option suits you?

	Option A	Option B
£30,000 contract, runs the full 3 months	£3,500	£3,600
Same contract, converted to permanent after 2 months	£5,500	£4,400
Free replacement if the candidate leaves early	Yes	No

Option A is the lower-cost, lower-risk choice when the contract runs its full term. Option B suits clients who expect to convert the candidate early.
